

# BELGIAN ULTIMATE

## COMMERCIAL NON-STICK WAFFLE MAKER LW-BE-ULT

The Belgian Ultimate Waffle Iron is a heavy-duty waffle machine. With its Dupont Teflon non-stick coating and heavy-duty stainless steel construction, the Sagra Belgian Ultimate Waffle Maker will last for many years in your business. The plates are easily replaced and you can outfit our waffle iron with a variety of plates including pancakes, mini-waffles and more. When combined with our ready-to-use waffle mixes, you'll have an instant profit center.
